

product description:

designed for distribution system with voltage 400 V and with maximum current 16 A
 for modern installations in combined frames
 vertical and horizontal connection with a spacing of 71 or 81 mm (up to 5 boxes)
 possibility to increase axial distance with a spacer for the design lines Element, Neo
 allows to install double-socket

material: PVC

color: gray

self-snuffing: yes, within 30 s

temperature resistance: -5 - +60 °C

flaming loop test: 850 °C

fire class for underlying material: A1-D

weight: 33 g

meets the requirements: EN 60 670-1

storage: ČSN 64 0090

KP 67/2_KA - device screws included in the package - package: 90 pcs loose in carton

KP 67/2_ST - device screws fitted in the box, each box fitted with an EAN label - package: 90 pcs loose in carton

accessories:

- cover V 68
- compensating spacer DR18
- extending frames NR 68/6, NR 68/10
- screwless terminal plates TYP015, TYP016, TYP017, TYP018
